

Milk Production

- Jerusheya

**Hello everyone....
I am Jerusheya. I am going to
take you on a trip to a milk
factory to know how I
Became this. Yes, I am the
milk.**

1. **Grazing section:**
Yes friends,
this is the
Grazing section
where the cows
graze grass.

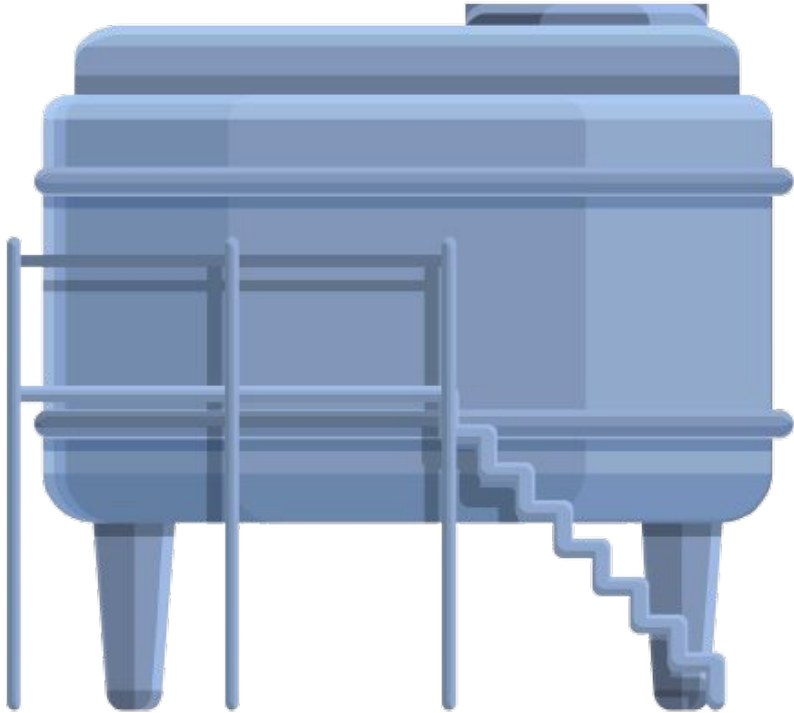

2.Extraction Process:

Milking machine extracts
me(the milk) produced
by my mom(the cows)
twice a day.

3.Storage:

This is the stage where I(the milk)
feels like being in switzerland.Yes, I
am stored in a refrigerator.

4.Transport:

Hurray... I (stored milk) am traveling now to dairy.

5. Production:

The milk truck reaches the dairy factory where I am pasteurized and packed. Or else I am used to produce dairy products.

B. Supply:

There comes your favourite me,
healthy milk and my products. Hope
you enjoyed the trip....Enjoy your day
with a cup of sweet milk!!!!

**Everyday drink milk;
Make your skin look like silk;
Do not avoid, do not stop,
Without milk, health is utter flop!**

Thank You!!
